

Join us for an evening of celebration and commemoration, recognizing the commitment and immense sacrifice of all those who serve, and celebrating the accomplishments of our volunteers across the country in honouring Canadian veterans over the past 10 years.

We Will Remember Them

This year as we commemorate the 75th anniversary of the end of WWII and the liberation of Holland, we are reminded of our ongoing responsibility to honour those who serve and have served in the Canadian Armed Forces.

Though we are all experiencing unprecedented challenges right now, we can not let this responsibility fall aside. At NSLA, we are undeterred in our mission to honour veterans and pass the torch to Canadian youth – who hold the key to lasting remembrance.

Please support this important mission by joining us on November 7th. The evening will include guest speakers, live musical performances and a virtual silent auction.
